

First Responder Training for Agricultural and General Aviation Aircraft

Program will consist of two videos one depicting an Ag accident and one GA aircraft with Ballistic Parachute, There will be open dialog and discussion about numbers and types of accident you could be responding to. This is information that all possible first responders should know and be prepared for.

Directions: Fire Department Training Center is located just off Palmer Drive near River Front Park

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
